## Testimonials

On behalf of Interactive Intelligence (Genesys) I would like to thank Eleanor for the fantastic venue that was recommended to us for our Sales Kickoff 2016 in Spain, Estepona. Eleanor has also recommended venues in London for our Global events. I highly recommend her expertise advice and service.

Amazing team trip to dubai run by Eleanor. From start to finish they were friendly, professional and best of all – great fun! We all had an amazing time from Helicopter over the palm to sandboarding in the dessert. Thanks so much for a fantastic service and all round great adventure!

The Fourseasons Team helped us to have the most amazing team building trip in Madeira. Our days were filled with a big array of adventures, including canyoning, mountain biking, 4x4 discovery tour, wine tasting, tobogganing, poncha making, dolphin watching, sailing, swimming, tasting local amazing food, and more. Both Eleanor and sam and the local guides were fabulous, fun to have around, really good at their job. On top of it, all the silliness was dutifully and expertly documented. Thank you for the most epic times, guys!
